

TAFF 2014

THE RESULTS

100 votes were cast in North America and 39 votes in Europe. These raised a total of £266 in North America and £266 in Europe.

The results of the first-place voting can be seen in the table below. The vote of the Rest of the World has been folded into the results from North America to preserve the integrity of the vote.

THE VOTING BREAKDOWN

	N. America	Europe	total
Brad & Cindy Foster	31	14	45
Curt Phillips	54	21	75
Randy Smith	15	2	17
No Preference	0	2	2
Total	100	39	139

Curt Phillips won with a clear majority of the first preference votes.

The 20% rule meant that each qualifying candidate required at least 20 votes in North America and 7 votes in Europe ('no preference' was not included when calculating the 20% numbers).
